Water Name: City of Litchfield	System ID Number: IL1350400		Current Inventory Date:		8/30/2024													
Total Service Lines: 3367	Total Lead: 20	Total Non Lead: 2308		Total Galvanized requiring Replacement: 1039		Total Unknown: 0												
Address	Lead and copper sample Site Number	Is This high-Risk Facilty or area?	Service line new identified since last inventory	Building Type Connected to Service Line Select From Drop Down List	**Street Side** Select From Drop Down List	**Customer Side** Select From Drop Down List	Was galvanized line material ever downstream of lead?	Has the customer refused access to property	customer waiver or IDPH notification if customer refused access to property	Date customer was notified of lead service line.	Was a lead service line previously replaced at this location?	Describe Verification Method Select From Drop Down List	Date Lead Service Replacement	Year Customer side service line installed (if known)	Year PWS-owned Service line installed (if known)	Gooseneck/Pigtail Material	Classification for Entire Service Line	Material of Service Line Replacement (leave blank if no replacement)
